

Iveco 4x4 - Overland Camper

£190,000

Vehicle History

This Iveco was manufactured by Motorcraft Adventure Developments and delivered to the customer in July 2022. It was manufactured to the customers specifications.

Unfortunately due to the customer change in circumstances this is now for sale.

Its a great opportunity to jump the industry standard waiting times and hit the road straight away

It is plated to 5.5t, so can be driven by anyone that has passed their driving test before 1998 or has completed a class C1 driving test.
